

## 2010 PERITONEAL DIALYSIS SYMPOSIA

### APPLYING THEORY TO PRACTICE IN PERITONEAL DIALYSIS

The ADVANCED RENAL EDUCATION PROGRAM® curriculum is managed by the Renal Therapies Group Medical office, utilizing the expertise of many world-wide leaders in dialysis.

This symposium, **Applying Theory to Practice in Peritoneal Dialysis**, is specifically designed for **Nephrologists, Fellows & Advanced Practitioners**. Symposia will stimulate discussion among participants on best clinical practices and offer up-to-date information on current and controversial PD topics.

## 2010 PHYSICIAN SYMPOSIA CALENDAR

	<b>JANUARY</b> Tuesday, 1/19	7:30am – 4:00pm	<b>New Orleans, LA</b> (day before the RRI)
	<b>MARCH</b> Tuesday, 3/30	7:30am – 4:00pm	<b>Kansas City, MO</b>
	<b>APRIL</b> Saturday, 4/24	7:30am – 4:00pm	<b>Phoenix, AZ</b>
	<b>MAY</b> Tuesday, 5/11	7:30am – 4:00pm	<b>Charlottesville, VA</b>

This reference-based program is for **Physicians & Advanced Practitioners**, and is meant to provide both didactic and practical information.

#### Curriculum may include such topics as:

- Physiology of the peritoneum and kinetic principles
- PD: Current statistics and modality selection
- Peritonitis
- Adequacy of PD
- Diabetes and PD
- Writing the PD prescription
- Initiation and development of a home dialysis program

Fresenius Medical Care does not reimburse for travel-related expenses, and CMEs will not be awarded for attending this program.

#### REGISTER NOW

Registration is free. Fresenius will sponsor the first 2 fellows who register.
